NOTE

1) In G.O.No.P.2132-Legis.2-41-58 dated 20th November 1941, clause (9) of the Motor Spirit Rationing Order has bee amplified giving power to the Chief Rationing Authority in Mysore to grant a certificate in Form 'N' validating the coupons given to any person to authorise the supply in any other place, of motor spirit to such person for use in a vehic other than that in respect of which the coupons were issued.

(2) As there is reciprocal arrangemen between ~~the~~ Mysore and British India on all ~~subjects~~ matters connected with the Rationin Order, a Provincial Rationing Authority in British India has to be construed as having power to authorise such a supply in any place in the Mysore State and vice versa. In accordance with this interpretation I have myself given more than half a dozen certificates already t places outside Mysore and I learn that they have all been honoured and no excep has been taken. ~~Recently~~ In adopti Form 'N' the words ~~in Mysore~~ 'in Mysore' seem to have been added inadvertantly in the 5th line of the certificate under clause 9(4-A). In the meantime the Government of India themselves have sent 300 copies of the Form 'N' to this offic for use. This action of the Government of India shows that they are prepared t honour the certificates in Form 'N' giv by the Chief Rationing Authority in Mys

. (3) This concession would be of not much use unless this broad interpretation is given as the object of the concession is for the benefit of any person ~~xxxxxxxx~~ requiring a supply of motor spirit for use for the purpose of essential professional business or official duties in a place other than that in which he ordinarily resides. On the establishment of reciprocal arrangements between British India and Mysore the concession must be interpreted to extend to any place of business either in Mysore or in British India and must be available to a consumer whether belonging to British India or to Mysore. M From IV mentioned above is a Certificate ordinarily issued in Mysore. The question for consideration is whether such a Certificate issued in Mysore will not be valid outside Mysore as per the amended clause 36; and if so whether it is necessary to delete the words 'in Mysore' in form IV.
